

Dear parents, please read carefully!

We look forward to your child dancing to their heart's content and having fun with us over the next few months. To ensure that everything runs smoothly for everyone, here is some important information in advance!

Please keep!

1) Course dates and course-free days for the coming season!

If courses do not take place (e.g. due to too few participants) they will no longer be on the homepage or will be marked as "cancelled"!

Performances for all courses are in the last week of the course (week 10)!

2) Pick up & drop off the children

We ask that you arrive 10 minutes before the start of the course so as not to disturb the previous course. There is a 10-minute break between the courses to ensure a stress-free change!

Please collect your children from the course on time!

Our supervision begins with the seating circle and the closing of the door and ends after the return of the tickets with the dismissal of the children at the hall exit!

3) We are happy if the children go to the toilet BEFORE the course to avoid interruptions!

4) Please label the **back of the children's dance card with an emergency telephone number**. Please ALWAYS take the course card with you!

5) Your child will especially enjoy dancing if they come to class in **comfortable, appropriate clothing!** Please choose suitable shoes and DO NOT let your child dance barefoot or in socks. You should also give your child a drinking bottle with WATER! Food is not permitted in the hall or during the course.

6) We ask for your understanding that individual lessons cannot be refunded in the event of illness or holiday!

We look forward to an exciting and educational time with your children and thank you very much for your trust!
